## Marriage Counselor Falmouth ME

---

As a psychotherapist I have assisted individuals, couples, and families to become healthier in their relationships, to address their addiction challenges, and to make meaning of traumatic personal suffering. My work being solution focused while drawing from a mythopoetic depth orientation pays special attention to how the challenges in the moment illuminate opportunities and goals for the future. My overarching specialty is the enhancement of personal and spiritual fulfillment through creativity and choice.

Robert brings over 30 years of experience in a variety of clinical, artistic, and spiritual settings along with a rich creative tradition as a composer, poet, and performing artist to his private practice. All people are blessed with a creative birthright that can be severely compromised by unresolved pain and suffering. Issues crying for resolution not only disrupt creative abilities, relationships, and manifestation, but can result in self destructive thoughts, feelings, and addictive behaviors.

Every person is unique and striving for their individual road toward fulfillment. Robert's affinity for the arts and years in offering family support, addiction and trauma recovery, and crisis counseling make him particularly astute at assisting clients in establishing a renewed vision of their potential.

Daytime and evening hours are available by appointment.

Payment of \$120 for individual 60 minute session or \$150 for couples or family sessions via cash, check, or credit card is expected at the time of service. Receipt is given and subsequent appointment time is acknowledged at the end of each session.

Payment is in most cases insurance reimbursable -- most insurance policies are accepted.

In the event that I am a preferred provider with your insurance group and authorization has been established, a co-payment is acceptable in lieu of the aforementioned rate.

In circumstances of financial difficulty sliding scale is applicable

A \$60 administrative fee may be incurred if cancellation does not happen with forty-eight hour notice. No call no show will incur a full session cancellation fee.
